

Quest Art in Your Classroom 2014-2015 Program

August 23, 2014

Dear Teachers,

Established in 1995, **Quest Art School + Gallery** is dedicated to the education and development of the visual arts in the North Simcoe community. As a new teaching year begins, I would like to introduce our updated outreach program for 2014-2015.

Our programs are designed for Kindergarten to Grade 8 and Quest Art would like to send our artists into your classrooms. All of our programs follow The Ontario Curriculum and provide teachers with an opportunity to observe and assess their students in a fun and exciting way.

For the 100 minute sessions for primary students, the cost is \$100 up to 20 students, with a \$7 fee for each additional. For Junior programs, 100 minute sessions cost \$125 for up to 20 students, again with an additional fee of \$7 per child. Included in the price is a program designed and delivered by a professional artist instructor, all of which have gained Vulnerable Sector clearance through attaining Police Record checks. Instructors arrive with all necessary supplies and resources to provide a rich learning experience. Rubrics for each program can be provided upon request.

For junior and intermediate full day programs, the cost per class is \$300. Classes can decide whether to have their all day program delivered at the school or to spend the day at the Midland Cultural Centre, where students will also experience a short gallery tour of current exhibits presented by Quest Art's Curator or one of our wonderful gallery attendants, to help students make connections between their own projects and work in the gallery.

In ending, having guest artists teach in the schools or in an art gallery can be an exciting and memorable experience for your students. Please see our attached menu of programming that will help you deliver visual arts curriculum in an engaging way. We urge you to book **Quest Art in Your Classroom** TODAY, so we may accommodate your preferred timeline.

Please contact our **Education Officer, Jill Price** directly at **705-526-ARTS (2787)** or by email at jill@questart.ca to arrange your booking.

Best regards,
Jill Price
Education Officer / Curator
