SO YOU THINK YOU KNOW MINING High School Video Competition

The Ontario Mining Association is hosting the 8th annual **SO YOU THINK YOU KNOW MINING (SYTYKM)** video contest for high school students. The contest challenges students to tell imaginative stories about the benefits of mining to society with 2- to 3-minute videos or a 15-second commercial.

The contest, running from November 1, 2015 to April 4, 2016, offers \$45,000 in cash and prizes to students and schools. Top videos earn from \$2,500 to \$5,000. Early bird entries are eligible for an additional \$500. Any school that produces more than three videos can win \$2,000. Teachers' Choice Award voters are eligible for a \$1,000 prize draw. The awards gala is on June 1, 2016, at the Royal Ontario Museum. For more contest information, visit www.oma.on.ca.
